We don't take sides, a professional adjudicator will review your claim and the company response before making a fair decision based on the evidence. The adjudication process will take up to 90 days.

- Make sure you understand the process, if you're not sure about anything contact us for guidance.
- Please complete this application form providing as much information as you can.
- It may take you some time to go through the application form and to get all your facts together, but having all the information will help us assess your case fairly.

**Before you can make an application you must complain to the surveyor first and allow them the time to conduct their own investigation into your complaint.**
