

Gambling and Gaming Application Form

What is this Application for?

- This application form is for customers to bring a claim against a gambling or gaming company.
- The application form will ask you for the details needed to help the adjudicator understand what you would like the company to do and how to decide your dispute

What do I need to do?

- Read the Guidance for Customers and Scheme Rules on the CEDR website. If you are unsure of how to answer a question please contact CEDR for guidance
- Fill in the application form giving as much information as you can
- It may take you some time to go through the application form and get all your evidence together, but having all the information will help CEDR assess your case fairly.

You must have already complained to the company and given them time to address your concerns before referring the matter to CEDR.

Please let us know if you have any practical needs where we could help – for example with information in another format (e.g. larger print etc.) or in another language. If you require assistance in completing this form please contact CEDR:

5.1 Transaction Description

Please tell us what transaction or transactions this dispute relates to:

5.2 Issues in Dispute

Please explain the nature of the issues that have led to this dispute:

6. What compensation are you requesting?

You must specify the total amount claimed in this section. There is no limit to the amount you can claim but the adjudicator can only direct the company to pay proven claims up to £10,000. All claims in excess of £10,000 are subject to a non-binding recommendation that both the customer and the company must voluntarily agree to accept before it becomes binding.

You must provide evidence to justify the amount claimed and you cannot change the amount at a later date. If the adjudicator issues a direction or recommendation in your favour, they could direct or recommend any amount of money up to the total amount you have claimed. Please read the Scheme Rules for a full explanation of the adjudicator's powers.
