

Arbitration Claim Form

What is this application for?

This form is for customers to bring a claim against a company that subscribes to CEDR for dispute resolution.

The form will ask you for the details needed to understand what you would like the company to do and decide your dispute.

What do I need to do?

- Read the CEDR rules that apply to your claim.
- Fill in the form giving as much information as you can. If you are claiming for things that have been lost or damaged remember to include any receipts you have.
- It may take you some time to go through the application form and get all your facts together but having all the information will help CEDR assess your case fairly.

You must have already complained to the company and their body (if appropriate) before you can make an application to CEDR without doing this first.

Please let us know if you have any practical needs where we could help – for example with information in another format (e.g. larger print, Braille etc.) or in another language.

If you require assistance in completing this form please contact CEDR:
